YOUR STRATEGIC LOGISTICS PARTNER

WELCOME TO LIQUID GOLD LOGISTICS

Liquid Gold Logistics is a dynamic and steadily expanding force in South Africa's transport and logistics industry. Founded in 2005 in KwaZulu-Natal, we've since grown our footprint to Gauteng — with ambitions that stretch across Southern Africa.

Our core focus is the efficient and secure transportation of a wide variety of cargo, tailored to meet the diverse needs of our clients.

From humble beginnings to a trusted name in logistics, we remain committed to delivering excellence every kilometer of the way

Let's move forward, together.

EXCELLENCE – EVERY LOAD, EVERY ROUTE, EVERY TIME

MISSION STATEMENT

To deliver reliable, innovative, and client-focused transport solutions across Southern Africa, while upholding the highest standards of safety, integrity, and service excellence. We're committed to moving more than just cargo — we move trust, relationships, and progress.

VISION STATEMENT

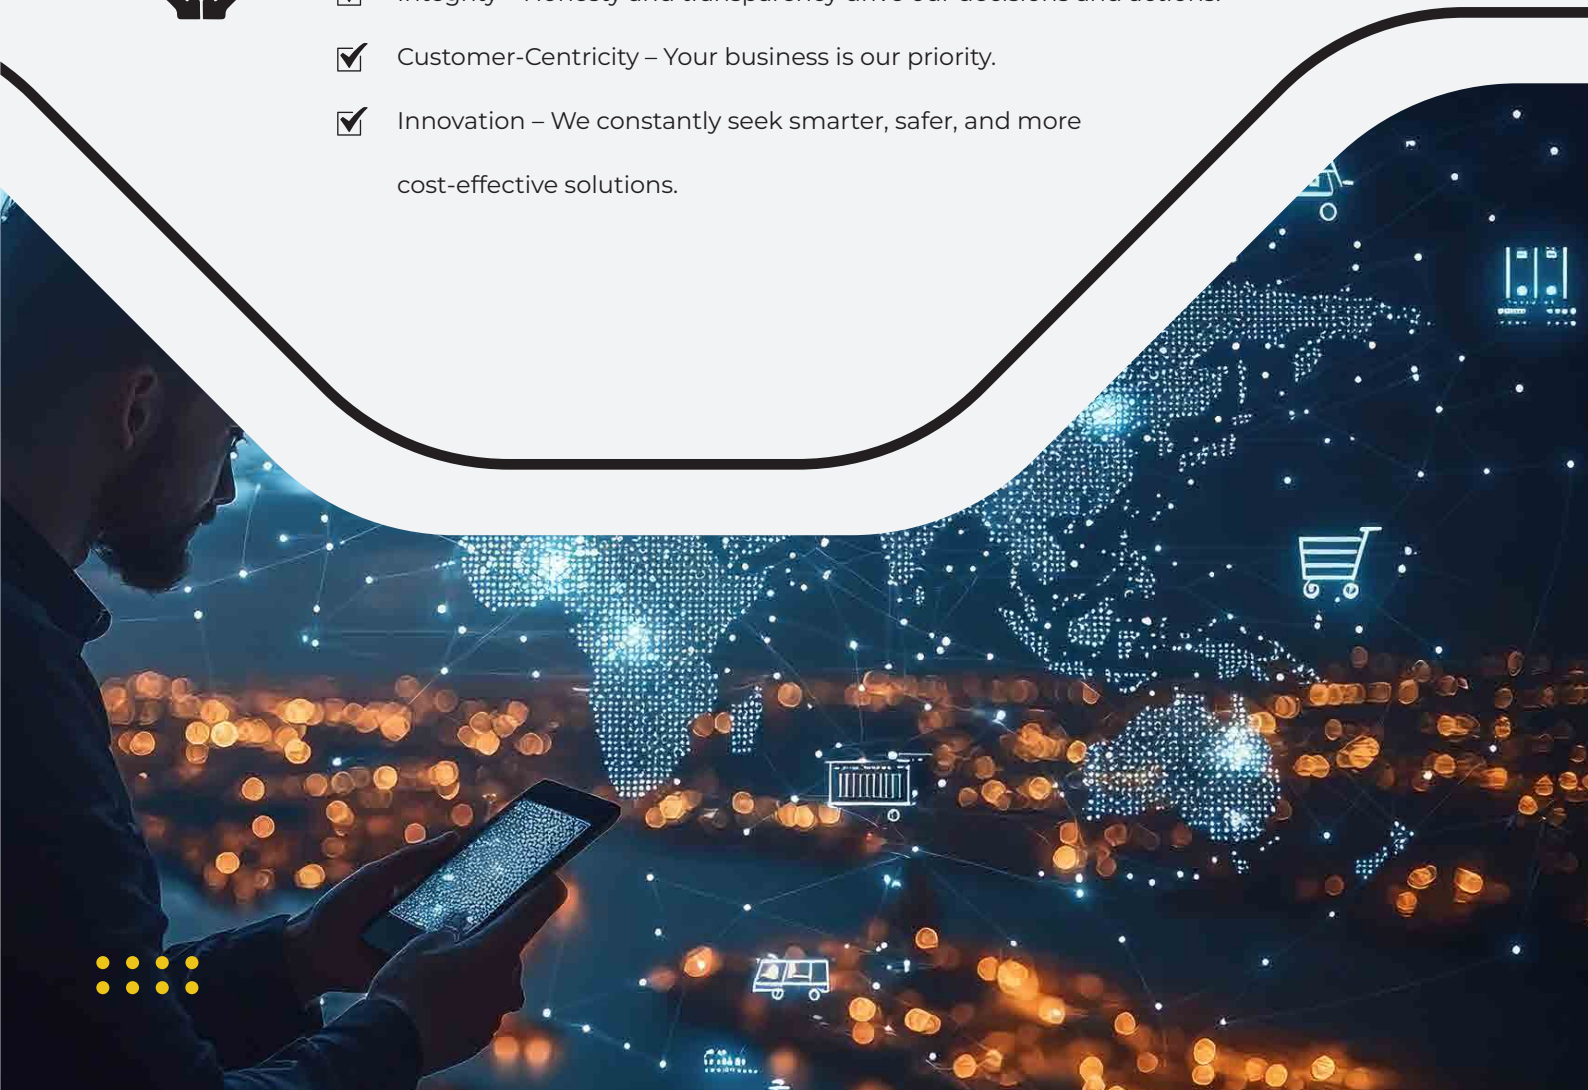

To be one of South Africa's most respected and dependable logistics partners — known for our people-first culture, precision-driven fleet, and unwavering commitment to customer satisfaction. We aim to expand our national and cross-border footprint while embracing smart technologies that enhance logistics efficiency.

CORE VALUES

- ✓ Reliability – We keep our promises, delivering on time and with care.
- ✓ Integrity – Honesty and transparency drive our decisions and actions.
- ✓ Customer-Centricity – Your business is our priority.
- ✓ Innovation – We constantly seek smarter, safer, and more cost-effective solutions.

OUR SERVICES

TRANSPORT NETWORK OPTIMIZATION

Transform your transportation strategy with our data-driven approach. We design optimized networks for the most efficient routes, transport modes, and cross-docking facilities while maintaining your required service levels. Our analytics reduce transportation costs by up to 25% while improving delivery reliability.

EXPRESS FREIGHT SOLUTIONS

When time is critical, our Express Freight services deliver. Accelerate your supply chain with reduced lead times, secure transit for high-value goods, and flexible scheduling that adapts to your urgent needs. Perfect for time-sensitive shipments and premium customer requirements.

END-TO-END PROCUREMENT SUPPORT

Streamline your logistics procurement with our structured approach. From comprehensive tendering processes to tailored Standard Operating Procedures and continuous benchmarking, we ensure cost efficiency and performance optimization across all your logistics partnerships.

TRUCK TRANSPORT

We load the consignment on time on the supplier's premises and deliver right on schedule.

CONTAINER MANAGEMENT

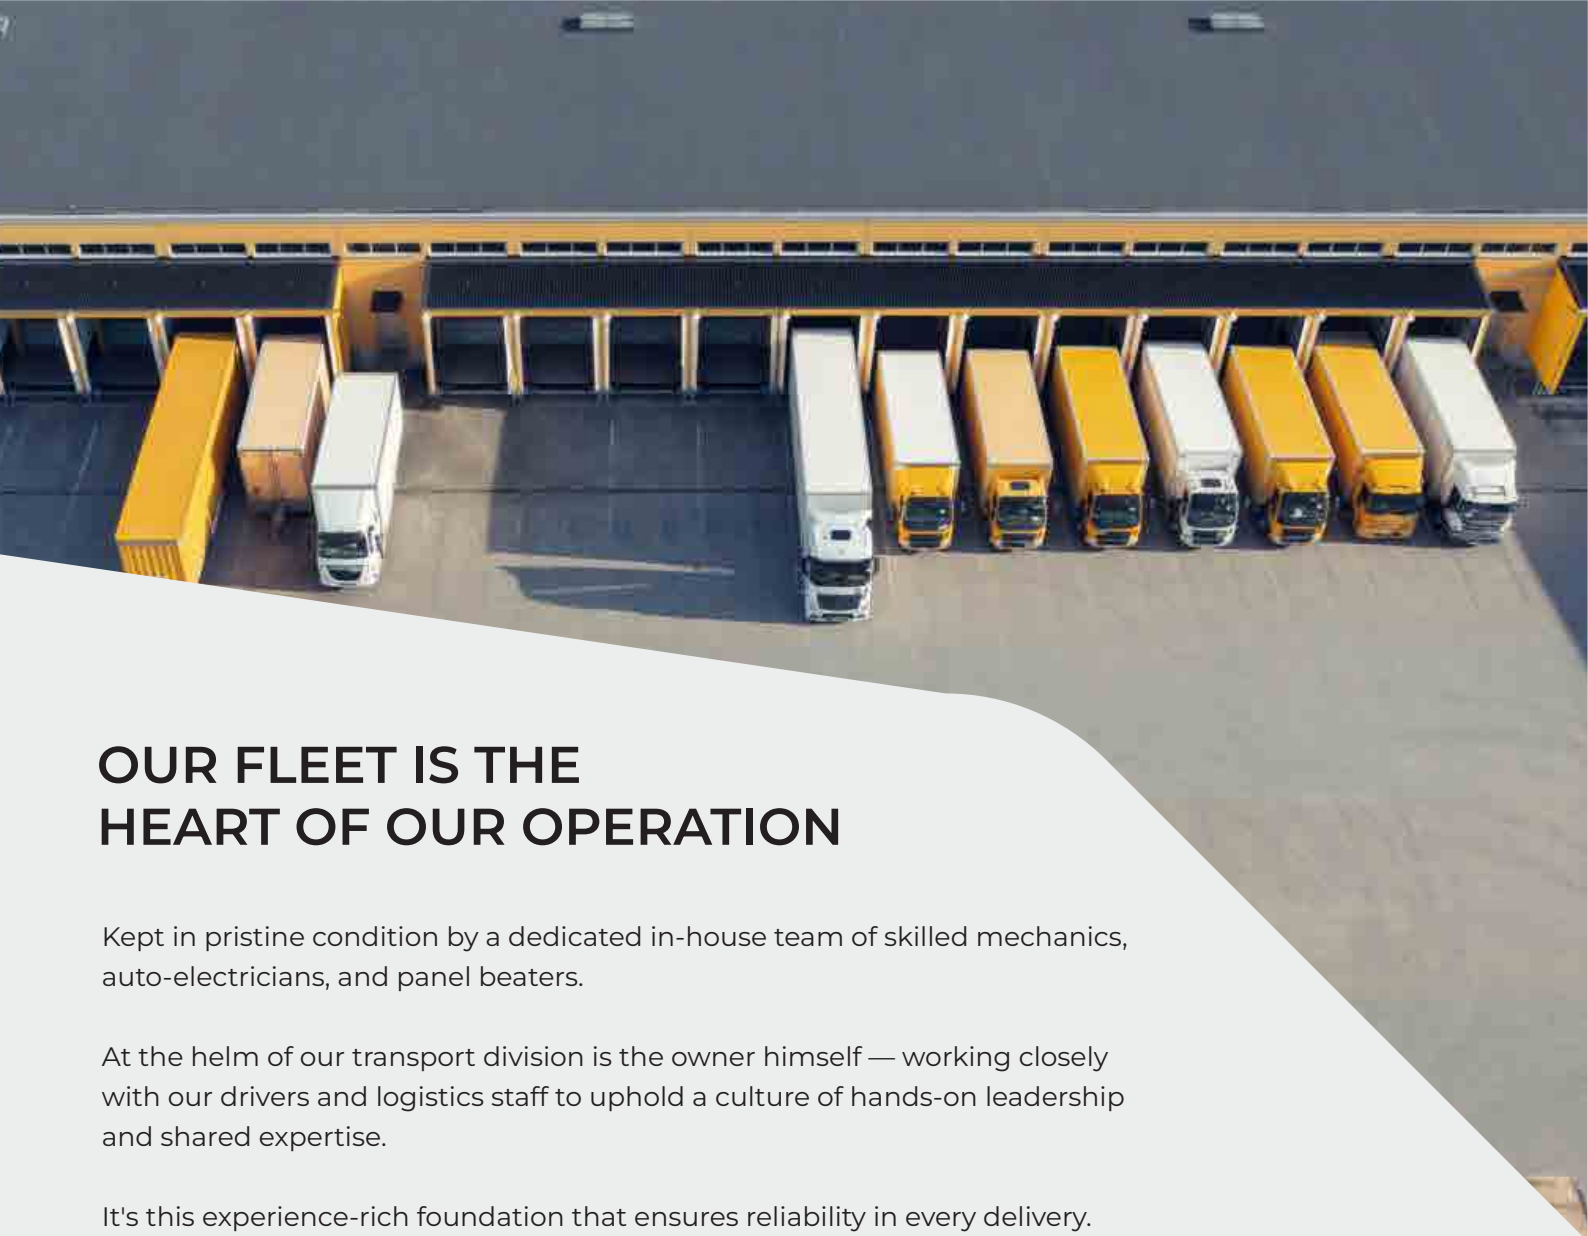

Our professional management processes ensures optimal container availability.

CONTRACT LOGISTICS

Whether you want conventional or highly complex solutions, we're the right partner for you.

OUR FLEET IS THE HEART OF OUR OPERATION

Kept in pristine condition by a dedicated in-house team of skilled mechanics, auto-electricians, and panel beaters.

At the helm of our transport division is the owner himself — working closely with our drivers and logistics staff to uphold a culture of hands-on leadership and shared expertise.

It's this experience-rich foundation that ensures reliability in every delivery.

GPS-ENABLED

SATELLITE-TRACKED VEHICLES FOR REAL-TIME MONITORING

A VERSATILE FLEET INCLUDING:

- ✓ 10 HORSES AND 10 TRAILERS
- ✓ 1-TON BAKKIES FOR LIGHT-LOAD, LAST-MILE DELIVERIES

Strategic partnerships with trusted third-party logistics providers when larger or multi-route needs arise.

Our commitment is simple: no load too small, no destination too far.
